

## Simplify Your Long-Term Lodging Program Using a GSA Schedule 48 Blanket Purchase Agreement

Each government entity is faced with maximizing limited resources to achieve optimum results at the best value. Marriott ExecuStay, the first approved GSA Schedule 48 long term lodging provider, helps government and military entities meet the challenging demands of nationwide extended stay travel – easily and efficiently – for the traveler, for the contracting officer, and for the organization.

The GSA Schedule 48 provides pre-negotiated pricing, and terms and conditions that leverage the buying power of the federal government. The Schedules are flexible, giving you the ability to customize or negotiate terms that address your specific needs via a Blanket Purchase Agreement (BPA).

**Marriott ExecuStay** is a nationally recognized vendor that will provide efficiencies with a streamlined ordering process, comfort with amenities and additional living space, and real savings that hit the bottom line. One email or phone call gives you access to fully-furnished apartments nationwide, with move in as quickly as two business days.
